12,00	Cierre Webinar Jose Maria Solano - Representante Nacional Iniciativa WestMED – Ministerio Agricultura, Pesca y Alimentación

Webinar Online

BIENVENIDA

D. Jose Maria Solano

Representante Nacional Iniciativa WestMED –
Ministerio Agricultura, Pesca y Alimentación

Webinar Online

**Objetivos y contexto de
descarbonización en puertos y buques
pesqueros y/o recreativos**

Dña. Marta Pascual

Hub Nacional Iniciativa WestMED

https://blue-economy-observatory.ec.europa.eu/energy-transition-partnership_en

This work will be the basis for the development of a **voluntary roadmap** with measurable milestones and actions for the energy transition of the EU **fisheries and aquaculture sector** towards climate neutrality by 2050. The roadmap will be **developed jointly by the participants stakeholders** and the European Commission and will be **delivered by 2024**.

How to express your interest

- You can express interest in joining the Energy Transition Partnership by filling in the [REGISTRATION FORM](#).
- The Energy Transition Partnership aims to set up an open, transparent, inclusive framework to enhance collaboration, align intents with other partners, mobilise resources and develop activities and solutions to deliver on the energy transition in the sector. This [expression of interest](#) is non-binding and open to any public or private interested party in the EU with an interest to contribute to bringing further the energy transition in the sector.

Workshops of the ETP

The first workshop covered the [financing of the energy transition](#) and has taken place on 28 November 2023.

The next workshop will focus on Innovation and technology and will take place on 28 February 2024.

The WestMED Initiative

Your portal towards a sustainable blue economy in the Western Mediterranean

CINEA/EMFAF/2022-3.5.1/SI2.881692

WESTMED
blue economy initiative

*Supported
by the*

The Initiative for the sustainable development of the blue economy in the western Mediterranean

WestMED Initiative

An innovative cooperation instrument between countries, regions and people
of the western Mediterranean to facilitate the blue economy

ASSISTANCE MECHANISM

**Common Maritime Agenda
for the Black Sea**

The Assistance Mechanism is led by Ecorys with AETS and PwC as consortium partners

TEAM

29+ Experts

ASSISTANCE

OBJECTIVES

**A safer and more secure
maritime space**

**A smart and resilient
blue economy**

**A better governance
of the sea**

PRIORITIES

**Maritime safety
and security**

**Environment, biodiversity
and climate change**

**Maritime clusters
and networks**

**Skills development
and circulation**

**Sustainable tourism, transport and
fight against pollution**

**Fisheries and
Aquaculture**

SOME SUPPORTED PROJECTS

FIUUFRA

Fight against Illegal Unreported and unregulated Fishing Regional Academy.

Creation of a North-South training network – intended as a virtual regional academy of knowledge on fighting IUU fishing across WestMed Countries

WESTMED ASSISTANCE

- Guidance on project writing and proposal
- Liaise with institutional members of Fisheries control
- Direct involvement first workshop
- Follow-up project development

COUNTRIES

Morocco	Spain
Algeria	Malta
Italy	Mauritania
France	Portugal
Tunisia	Libya

BUDGET

€ 150.000

FUNDING SOURCE

DG-MARE Direct Funding
to EFCA

POWER4MED

local emPOWERment of fuel
transition **FOR** a green
MEDiterranean

WESTMED ASSISTANCE

- Matchmake among stakeholders
- Support partnership building
- Identify funding calls for project proposals

COUNTRIES

Algeria	Türkiye
Spain	Libya (associated)
Egypt	

BUDGET

€ 798.043

SOURCE DE FINANCEMENT

EMFAF

Green Marine Med

Mediterranean Green Shipping Network: Linking Ports, Industries, Investment and Innovation for Monitoring and Technology Foresight on Green Shipping in the Mediterranean

WESTMED ASSISTANCE

- Identify/ shaping proposal ideas
- Identify funding calls
- Matchmake among stakeholders
 - Support partnership building

COUNTRIES

Spain	Türkiye
France	Israel
Italy	

BUDGET

€ 1.179.443
